To Whom It May Concern:

Our school, Siloah Lutheran School in Milwaukee, Wisconsin, would like to thank your organization for providing to our school free the ninth annual Fire Safety Program sections. Our school and children benefited greatly from receiving these materials that otherwise we would not be able to afford for our students! Companies such as yours are very important to our school and we are very grateful for your support!

Thank you so very much for your support in the education of our children!

Sincerely,

Terrence Graf

Dear Sponsor,

The Emerson School Community would like to thank you for your generous and thoughtful contribution of the Fire and Safety section in the Milwaukee Journal Sentinel to our school. The information provided is a valuable source of discussion at school, as well as at home.

The student activities make learning fire safety more fun and motivating to help prevent fires. The resources for teachers and parents will provide additional information to help prevent unnecessary loss of life and property.

Your continued interest in building community relations with MPS is vital and much appreciated.

Sincerely,

Dear Wisconsin Alliance for Fire Safety:

Thank you for sponsoring the fire Safety materials that we shared in Room 21. The newspapers were read and enjoyed by the 5th graders at AAL school, on 78th Street. We learned a lot about fire safety!

Sincerely, Room 21, Academy of Accelerated Learning

Thank you !!

Wisconsin Alliance for Fire Safety

To Whom It May Concern:

Thank you for your sponsorship of materials that help us teach our children the importance of fire safety. As you know, each year children and families needlessly experience tragedy due to fires in their homes. Educating children on important fire safety rules and practices could save the lives of countless children. Indeed, saving the life of even one child would be reason enough to continue your support of this program.

Thank you again for helping to keep our children safe.

Sincerely,

Dear Wisconsin Alliance for Fire Safety:

I just wanted to take a moment to thank you for your generosity which makes Fire Safety Week a possibility. It is imperative to educate children on the importance of knowing what to do when faced with a dangerous situation involving fires.

We will have a special fire safety unit using the Milwaukee Journal/Sentinel newspaper as our base reference. The students enjoy reading and discussing articles from the newspaper. It is also a critical source of information in keeping them current on what is going on in the world around them.

Thank you once again for all that you do for our children. The Priority should always be to keep them safe, happy, and educated. Without your support of fire safety week and the Milwaukee Journal/Sentinel, that would not be possible.

Sincerely,
